Ashley Siebers, Charise Weller - New exciting prizes have been put in place, but they can't meet the needs of the program. They reward the students on Friday. They draw 10 names from each class on Friday. Students are really asking if they can use the Bo Bucks as currency to buy the prizes. Requesting \$300-\$500 per month for prizes.

Possibility to use the original student store location. Principal is meeting with all the parties to see if that is an option. Current student store location is overflowing with use.

Requesting \$300-\$500 per month. Not sure how many students this will serve. PSO will get back to the Monitors with how much we can give per month after Freaky Friday.

## **Archer Industries**

Student enterprise is wanting to sell items. Baylor Bodeway. The "How to become a millionaire" class was the "how to code" class 6th grade. Class goal is to combine classes and focus on the businesses. Hoping we will pay for stickers they made to be given away at Freaky Friday. They would like \$100 for 300 stickers. Would like to raise \$3000 by the end of the year for paying off their UV printer.

Could we give them the \$100 and they sell stickers at Freaky Friday instead. Baylor agreed.
