Meeting called to order at 1:00 pm

**Suzanne Gilmer - Counseling Secretary**

Would like to reinstate a homework club after school to support our students. Looking for volunteers at the High School to help with the content. We also need an adult volunteer to oversee and manage volunteers. Once or twice / week (Tues / Thurs?). Activities bus would be available to transport kids home. We could consider before school, however the kids would need their own transportation. PSO will help find adult volunteers.

**Admin report - Marianne**

Second week in April we will start forecasting all 5th, 6th, and 7th graders.

April 11 - 5th grade parent night 6pm

May 16 - 5th graders touring SMS. Student store will be open during lunch.

We have hired a second campus monitor, Ashley, who is doing fantastic. We are still looking for third. We have a full lunch crew.

### **New Business: Tiffany**

Nicole motions to approve the January minutes, Farrah seconds, all in favor. Motion passed.

Math software renewal - Ali motions to fund the pear deck software for one year. Nicole seconds. All in favor, motion passed. Marianne will add this item to the school budget moving forward.

Tiffany will contact Heather about the upcoming dance on March 12.

Need volunteers for 8th grade promotion. Tap into 7th grade parents to pay it forward.

### **Student Store - Farrah**

The Student Store has brought in \$2300 so far! It has been a great success. These funds will all go to Nutrition Services as agreed.

All transactions are digital.

The current iPhone 11 is not working.

We need a second POS machine, Farrah has been using her phone. Looking for refurbished iPad and stand.

Need to brainstorm how to keep the store secure. Farrah is going in each day which is not sustainable. Maybe have a lunch monitor unlock for the rotating volunteers.

Nicole makes a motion to purchase the iPad / square reader / stand for the student store. Ali seconds, all in favor. Motion passed.

### **Nicole - Apparel**

Need more sweatshirts in size youth medium for incoming 5th grade parent night on April 11.

### **Ali - 8th grade end of year activity.**

Ali called several potential party places for the 8th grade end of year party. She found everywhere to be very expensive (\$30/ student). She polled some kids who said they would be happy with a party in the school field with bounce houses and a chance to hang out with their friends. This will take place on the second to the last day of school.

Next Meeting April 8 at 1pm.

Meeting adjourned at 1:32 pm.
